Admiralty Head Lighthouse is owned by the State of Washington and maintained under the control of the Washington State Parks. The Keepers of Admiralty Head Lighthouse is a program of the 501 (c)(3) nonprofit organization, Lighthouse Environmental Programs (LEP). The Keepers of the non-profit Lighthouse Environmental Programs was organized to provide fund raising and support for the restoration, preservation, and interpretation of the Lighthouse.

Thank you for being a part of history helping the Admiralty Head Lighthouse Keepers protect and restore our lighthouse so that others can appreciate what it means to our nation's maritime history. We host over 50,000 visitors annually in the lighthouse. Again, thanks for your help.
